Named One of the Most Anticipated Books of 2022 by Vogue, BuzzFeed, Bustle, Marie Claire, Harper's Bazaar, Electric Lit, Thrillist, Glamour, CNN, and Shondaland "Wickedly funny and heartstoppingly vulnerable...every page twinkles with brilliance." —Refinery29 Perfect for fans of Samantha Irby and Trick Mirror, a funny, whip-smart collection of personal essays exploring the intersection of queerness, relationships, pop culture, the internet, and identity, introducing one of the most undeniably original new voices today. Jill Gutowitz's life—for better and worse—has always been on a collision course

with pop culture. There's the time the FBI showed up at her door because of something she tweeted about Game of Thrones. The pop songs that have been the soundtrack to the worst moments of her life. And of course, the pivotal day when Orange Is the New Black hit the airwaves and broke down the door to Jill's own sexuality. In these honest examinations of identity, desire, and self-worth, Jill explores perhaps the most monumental cultural shift of our lifetimes: the mainstreaming of lesbian culture. Dusting off her own personal traumas and artifacts of her not-so-distant youth she examines how pop culture acts as a fun house mirror reflecting and refracting our values—always teaching, distracting, disappointing, and revealing us. *Girls Can Kiss Now* is a fresh and intoxicating blend of personal stories, sharp observations, and laugh-out-loud humor. This timely collection of essays helps us make sense of our collective pop-culture past even as it points the way toward a joyous, uproarious, near—and very queer—future. The only option: A one-way trip past the Veil...

The new Weaver Council organize a massive Weaver hunt for Professor Hadrian and his malformed ship. It starts off well... until Professor Hadrian's ship changes direction. It heads straight into a place no one dares to follow. All except Kelsey Hale's Weaver team. They follow past the barrier of the Veil, even while knowing it will ultimately mean their deaths. Beyond lay the Nief-Pirae, the ravenous creatures behind the "When the Skies Fell" event. Time to stop Professor Hadrian once and for all. While keeping the Veil intact. While keeping the Nief-Pirae contained. While not losing sight of what it means to be a Weaver. Join Kelsey Hale in a coming of age science fiction adventure across alternate universes and encounters with alien planets, species and societies. Thrust into a dangerous journey to places she could have never imagined, she is determined to discover the truth of her mysterious past. A truth that will change her life forever.

Titles in "The String Weaver" Series *The String Weavers* *The Phoenix Eggs* *The Dark Phoenix* *The Dividers* *The Tower of Egnos* *When the Skies Fell* *Celestial Fire* *The Arabian Nights (or One Thousand and One Nights)* is a collection of stories compiled by various authors, translators and scholars from countries across the Middle East and South Asia. The tales trace their roots back to ancient Arabia and Yemen, ancient Indian literature and Persian literature, ancient Egyptian literature and Mesopotamian mythology, ancient Syria and Asia Minor, and medieval Arabic folk stories from the Caliphate era. Though the oldest Arabic manuscript dates from the fourteenth century, scholarship generally dates the collection's genesis to somewhere between AD 800-900. Seventeen year-old Zelene has never believed in magic or been one to trust fate. Prophecies about princesses and long lost families were the stuff of fairy tales and had no place in her life. But then magic-wielding assassins attack claiming she is one of the five

Duillaine Ainnir, the next generation of the most powerful women who rule over the worlds. Together, the five girls are prophesized to save the worlds from the war that has been raging for years. As their enemies strike, the girls are taken back to their world and discover the ties binding them together. Rhaya has always had an uncanny knack for reading people, but can't seem to unravel the mystery tying her to Isauria, the new friend she bonded with instantly. For years, Isauria has been dreaming of Terrena, a girl living her life on the run in a magical world ripped apart by the tragedies of war, but Isauria is completely unaware that she is psychically linked to the world she was born in. Zelene views them all, especially the elders, with a distrustful eye, familial bonds or no. When she learns that her long-lost twin Ariana has been captured by the rebels, Zelene's attitude changes. She doesn't know what she can do when her own magic is still locked within her, but can she trust the elders to rescue Ariana when it seems their medieval politics are what brought about the war in the first place? With all that is at stake, the answer becomes clear to Zelene. Screw the worlds. She's getting her sister back. In a time of ancient gods, warlords and kings...a land in turmoil called out for a hero! She was XENA, a mighty princess forged in the heat of battle! In this all-new series, writer VITA AYALA (Black Panther, Shuri, Wonder Woman, The Wilds) and artist OLYMPIA SWEETMAN throw Xena and her companion Gabrielle headfirst into a mysterious adventure. Can Xena discover the secrets of a village full of super-strong children, before jealous and petty GODS get involved? I don't have the best history with older men. When Mateo saw my last relationship implode, he was there to help. He saved me. Hopefully self-defense lessons will keep me from getting hit again. I can't ask for more of my friend. Even dreaming of keeping him is wrong. But when my ex makes things difficult, Mateo steps up again. I don't want a protector, but maybe it's time to accept a little help. For the first time in my life, I want something real. What will it cost to keep the man I'm falling for? Bryan needs a protector. Those rich old guys that chase after him aren't the answer. All I want is to keep him safe. I want to watch him grow into the strong man I know he can be. Falling for him wasn't the plan. But now that I've had a taste, I can't let him go. Sparks and ink fly in *Hard Ink*, a 60,000-word standalone m/m workplace romance between tattoo artist and teacher, Mateo, and his student and co-worker, Bryan. NOW ON NETFLIX! Read the steamy romance that started the international sensation... It used to be that I obsessed over Ares Hidalgo from afar. But that was before he climbed Through My Window Raquel Álvarez is hard working and serious about her future. It's always just been her and her mom and that's kept Raquel on the straight and narrow. After all, she's only got one goal—to become a psychologist. Well, that and to get Ares Hildago to notice her. For as long as Raquel can remember,

she has been obsessed with Ares—known to everyone as the rich, hot, popular playboy. Even though he lives next door, Raquel has never spoken to Ares. Yet, she can't help thinking there's more to him . . . and she can't help imagining what it'd feel like to kiss him. After a chance encounter reveals her crush is anything but unrequited, their steamy attraction grows into what can only be described as hands-down hot. They fall hard and fast for one another. Raquel is all in with Ares. But Ares can't, or won't, commit, as his struggle with personal and family responsibilities leaves little room for falling in love. The will-they-won't-they tension is killing her and it may just kill what they have. What burns bright burns fast, but for Ares and Raquel, can it last? #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “Extraordinary . . . an act of courage and self-invention.”—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. “Beautiful and propulsive . . . Discover Captain Phasma's mysterious history in the official prequel to *The Last Jedi*, the highly anticipated blockbuster film directed by Rian Johnson. One of the most cunning and merciless officers of the First Order, Captain Phasma commands the favor of her superiors, the respect of her peers, and the terror of her enemies. But for all her renown, Phasma remains as virtually unknown as the impassive expression on her gleaming chrome helmet. Now, an adversary is bent on unearthing her mysterious origins—and exposing a secret she guards as zealously and ruthlessly as she serves her masters. Deep inside the *Battlecruiser Absolution*, a captured Resistance spy endures brutal interrogation at the hands of a crimson-armored stormtrooper—Cardinal. But the information he desires has nothing to do with the Resistance or its covert operations against the First Order. What the mysterious stormtrooper wants is Phasma's past—and with it whatever long-buried scandal, treachery, or private demons he can wield against the hated rival who threatens his own power and privilege in the ranks of the First Order. His prisoner has what Cardinal so desperately seeks, but she won't surrender it easily. As she wages a painstaking war of wills with her captor, bargaining for her life in exchange for every precious revelation, the spellbinding chronicle of the inscrutable Phasma unfolds. But this knowledge may prove more than just dangerous once Cardinal possesses it—and once his adversary unleashes the full measure of her fury.

Many early novels were cosmopolitan books, read from London to Leipzig and beyond, available in nearly simultaneous translations into French, English, German, and other European languages. In *Novel Translations*, Bethany Wiggin charts just one of the paths by which newness—in its avatars as fashion, novelties, and the novel—entered the European world in the decades around 1700. As readers across Europe snapped up novels, they domesticated the genre. Across borders, the novel lent readers everywhere a suggestion of sophistication, a familiarity with circumstances beyond their local ken. Into the eighteenth century, the modern German novel was not German at

all; rather, it was French, as suggested by Germans' usage of the French word Roman to describe a wide variety of genres: pastoral romances, war and travel chronicles, heroic narratives, and courtly fictions. Carried in large part on the coattails of the Huguenot diaspora, these romans, nouvelles, amours secrets, histoires galantes, and histories scandaleuses shaped German literary culture to a previously unrecognized extent. Wiggin contends that this French chapter in the German novel's history began to draw to a close only in the 1720s, more than sixty years after the word first migrated into German. Only gradually did the Roman go native; it remained laden with the baggage from its "French" origins even into the nineteenth century.

Welcome to the magical, mystical, topsy-turvy world of the House of Secrets, where Zatanna embarks on a journey of self-discovery and adventure...all with her pet rabbit, Pocus, at her side. Zatanna and her stage magician father live in a special house, the House of Secrets, which is full of magic, puzzles, mysterious doors, and storybook creatures-it's the house everyone in the neighborhood talks about but avoids. Not that Zatanna cares, though, because she is perfectly content. But at school one day, Zatanna stands up to a bully and everything changes- including her friends. Suddenly, Zatanna isn't so sure about her place in the world, and when she returns home to tell her father, he's gone missing, lost within their own home. With thrilling twists from writer Matthew Cody and dazzling artwork by Yoshi Yoshitani, *Zatanna and the House of Secrets* will delight readers at the turn of every page-and the opening of every door!

The Ballets Russes has engaged people for 100 years, ever since Russian-born Sergei Diaghilev created this dynamic avant-garde company. Diaghilev brought together some of the most important visual artists of the 20th century to work as costume and stage designers and work with composers, choreographers, and dancers, infusing new life and creative energy into the performing arts of the time. Through the costumes, drawings, programs, and posters presented in this book, the visual spectacle of the Ballets Russes is brought back into view for a contemporary audience to appreciate the revolution it was and the ongoing influence it continues to have today. Music moves through time; it is not static. In order to appreciate music we must remember what sounds happened, and anticipate what sounds might come next. This book takes you on a journey of music from past to present, from the Middle Ages to the Baroque Period to the 20th century and beyond! Have you ever wondered about the journey that will take your soul to the current point of your existence?

The Wizard's Council of Tarador was supposed to tell young Koren Bladewell that he is a wizard. They were supposed to tell everyone that he is not a jinx, that all the bad things that happen around him are because he can't control the power inside him, power he doesn't know about. The people of his village, even his parents, are afraid of him, afraid he is cursed. That he is a dangerous, evil jinx. The Wizard's Council didn't tell young Koren, because they know what is best for him. Even after their silent deception destroys his life. Crown Princess Ariana Trehayme will become queen of Tarador on her sixteenth birthday, if her weak, indecisive mother the Regent hasn't allowed their ancient enemy to conquer Tarador before then. Ariana wants her royal army to strike at the enemy, but her mother knows what is best for her, and the realm. Together, Ariana and Koren can save Tarador, if the adults, who know best, will get out of their way. The award-winning author of modern classics such as *Schindler's List* and *Napoleon's Last Island* is at his triumphant best with this "engrossing and transporting" (*Financial Times*) novel about the adventures of Charles Dickens's son in the Australian Outback during the 1860s. Edward Dickens, the tenth child of England's most famous author Charles Dickens, has consistently let his parents down. Unable to apply himself at school and adrift in life, the teenaged boy is sent to Australia in the hopes that he can make something of himself—or at least fail out of the public eye. He soon finds himself in the remote Outback, surrounded by Aboriginals, colonials, ex-convicts, ex-soldiers, and very few women. Determined to prove to his parents and more importantly, himself, that he can succeed in this vast and unfamiliar wilderness, Edward works hard at his new life amidst various livestock, bushrangers, shifty stock agents, and frontier battles. By reimagining the tale of a fascinating yet little-known figure in history, this "roguishly tender coming-of-age story" (*Booklist*) offers penetrating insights into Colonialism and the fate of Australia's indigenous people, and a wonderfully intimate portrait of Charles Dickens, as seen through the eyes of his son. While trapped in a testing game, a man must find a way to get his girlfriend to remember who she is.

Suddenly, in one night her life changes. It all starts when she finds herself witnessing her step-mother's sexual affairs with a demon. Then her father is killed, and armies of ogres destroy their hometown enslaving thousands of people and young virgin Princess. Her virginity is the priceless trophy for the ogre general and it is also the price for her freedom. Beyond: In the year 3492, in the deepest reaches of space, Captain Zebb Welsh has it all—a fine job, the best crew anyone could ask for, close friends...and Helena, the kind, beautiful violet-eyed daughter of Space Station 536's Head Councilman. Helena is his oldest and best friend, and a secret, powerful love for her burns in his heart. But when Helena is kidnapped by Xander Fletch, the leader of an intergalactic sex-slave trade, Zebb's world is torn apart. Ignoring the commands of his superiors, he gathers his squad of human and alien soldiers and pursues the men who've stolen his one true love. Helena is frightened and alone amongst men who abuse her and only care for her body. But naïve as she is, a deep, primal part of her that craves sexual attention is awakened, even as she hates her captors. She's caught in between two deep, burning desires; the desire to be touched, and the desire to be free. Beyond the deepest, darkest corners of the universe, will Zebb arrive on time to free Helena, or will he lose her forever? A schoolteacher still reeling from the

tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel “Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history.”—The Washington Post

Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother’s withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today’s headlines. Book 1 in the New York Times bestselling trilogy, perfect for fans of *Battlestar Gallactica* and *Passengers!*

**WHAT DOES IT TAKE TO SURVIVE ABOARD A SPACESHIP FUELED BY LIES?** Amy is a cryogenically frozen passenger aboard the spaceship *Godspeed*. She has left her boyfriend, friends--and planet--behind to join her parents as a member of Project Ark Ship. Amy and her parents believe they will wake on a new planet, Centauri-Earth, three hundred years in the future. But fifty years before *Godspeed*'s scheduled landing, cryo chamber 42 is mysteriously unplugged, and Amy is violently woken from her frozen slumber. Someone tried to murder her. Now, Amy is caught inside an enclosed world where nothing makes sense. *Godspeed*'s 2,312 passengers have forfeited all control to Eldest, a tyrannical and frightening leader. And Elder, Eldest's rebellious teenage heir, is both fascinated with Amy and eager to discover whether he has what it takes to lead. Amy desperately wants to trust Elder. But should she put her faith in a boy who has never seen life outside the ship's cold metal walls? All Amy knows is that she and Elder must race to unlock *Godspeed*'s hidden secrets before whoever woke her tries to kill again. An intimate portrait of a friendship severed by history, and a sweeping saga of wartime, motherhood, and legacy by an award-winning novelist

It's 1989 in New York City and Ava Fischer is a mess: she's broke, her teenage daughter is barely speaking to her, and her estranged mother's ashes have just arrived from Germany by mail. Things were never easy between Ava and her mother, Ilse. Throughout Ava's childhood in Germany, first in an orphanage after WWII and then in Ilse's care, too many unspoken secrets hovered between them: Who was Ava's father? Why won't her mother tell her anything about him? And what exactly was Ilse doing during

the war? In a trove of unsent letters that arrive with Ilse's ashes, written to Ilse's childhood best friend, Renate, Ava begins to find her answers, sending her spiraling deep into the past of the mother she never truly knew. It's 1933 in Berlin. Two young girls, Renate and Ilse, meet at school and become inseparable friends. Bonded by their mutual bookishness, Ilse is the confident mischief-maker to Renate's brainy klutz. But as the Nazi party tightens its grip on the city, the two girls find their friendship torn apart by the Nuremberg Laws. As Ilse is increasingly drawn in by the Hitler Youth movement and its promise of a Germany restored to greatness, Renate is forced to confront a family secret long since buried, and leaving one friend catastrophically betrayed by the other, with reverberations that will be felt for generations to come.

caused by an underlying supervolcano, so large that the caldera can only be seen by plane or satellite. And by some scientific measurements, it could be overdue for an eruption. For Alex, being left alone for the weekend means having the freedom to play computer games and hang out with his friends without hassle from his mother. Then the Yellowstone supervolcano erupts, plunging his hometown into a nightmare of darkness, ash, and violence. Alex begins a harrowing trek to search for his family and finds help in Darla, a travel partner he meets along the way. Together they must find the strength and skills to survive and outlast an epic disaster. A tormented dragon prince. A captured elven assassin. Duty demands they fight for their people but love has other plans. Eroan, one of the last elven assassins, lives for one purpose: kill the queen. He would have succeeded if not for her last line of defense: Prince Lysander. Now, captured and forced into the queen's harem, Eroan sees another opportunity. Why kill just the queen when he can kill them all? It would be simple, if not for the troubled and alluring dragon prince. A warrior, a killer, and something else... something Eroan finds himself inexplicably drawn to. Trapped in a life he despises, Lysander knows his time is running out. If the queen doesn't kill him for his failures, her enemies will. There's nothing left to live for, until an elf assassin almost kills him. A stubborn, prideful, fool of an elf who doesn't know when to quit. An elf who sparks a violent, forbidden desire in Lysander. If Lysander can't save himself, maybe he can save the elf and maybe, just maybe... one stubborn elf will be enough to bring down the queen before her reign brings death to them all.
