Introduces techniques to compose and cast spells in the Wiccan tradition, and includes information on recording spells and formulas, and preparing tools and sacred spaces. A collection of personal writings features observations on such topics as a contest of wills with a deranged cleaning lady, the emotional side of killing a rodent in one's home, and the brief fame that accompanies starring in a commercial. My Magical Awakening tells the story of one woman's journey in finding her true self and living life on her own terms when she starts to use magic. Ayanna, the main character struggles with her newly found beliefs and wonders if she is cut out to be a so called witch. While she makes the decision to commit to a life of spiritual freedom and learning magic some people in her life do not approve but she does not let that stop her. Through out her journey she learns how to cast spells, opens her third eye and has many supernatural experiences including seeing ghosts as well as connecting with her Ancestors. With all of the new experiences that she encounters she learns how to trust her higher self and comes to the realization that not only is she cut out for a life of magic but comes to the conclusion that this is the life that she was destined to live. Living life from the INSIDE OUT is the only way to roll. There is a whole world inside of you waiting to be tapped into. Once you begin paying attention to your inner world (instead of non-stop focusing on trends, fashions and TV shows), once you start identifying what's working for you and what's not, once you clarify what you really want and understand that you have a choice in whether or not and HOW you manifest it, get ready for radical change to start happening! Because nothing short of a truly magical life is your birthright....and Enlightenment Is Sexy is your guide to living it! A few years ago, the book's author, Valerie Gangas, learned Transcendental Meditation and during her first meditation, she had what some people call an awakening: She began to see EVERYTHING about life differently than she had in the past. In her own words, it was a sudden and profound shift in perception, so much so that it became crystal clear that our INNER life is what generates ALL the juice, ALL the goodies, ALL the righteous experiences any of us have ever had and will ever have. And so Valerie started living in a completely new way-from the inside out. As a result, she can now play at creating a better existence every day... more and more richly rewarding life experiences (e.g. relationships, health, job, travel, studies) every day! And what she's found is that all of us-every single person on the planet-is WAY more radiant, attractive, and yes, sexy, when that inner life is lit up like a blazing sun! This, she says, is how to lead an enlightened, magical life! Indeed, wouldn't it be amazing to have such a strong sense of self that you effortlessly attract the perfect partner, an amazing job or whatever it is your heart has longed for, but has eluded you for what seems like your whole life? And what if that same, well-developed sense of who you are would naturally bring you more happiness than you ever dreamed of? According to Ms. Gangas, not only is all of that possible; it's your birthright! In the ten years since magic has reemerged in the world,

witches have become feared and hunted. For weeks Shea Jameson has been haunted by visions of fire. When she unintentionally performs a spell in public, she becomes one of the hunted. Her only hope is Torin, a dangerously sensual man who claims to be her eternal mate. Nearly all witches practice some form of magick. This book is a collection of hands-on magickal lore from four witchcraft writers and includes nearly one hundred specific spells for a variety of purposes. You will discover the magical uses of candles, herbs and plants, stones and crystals, oil and incense, and much more. The Witch's Book of Spellcraft shares spells for protection, luck, self-love, driving away enemies, spiritual cleansing, attracting customers, and other specific needs. The authors provide detailed tips for working with earth energy, color correspondences, creative visualizations, and even the magick of hair. Whether you desire love, money, safe travels, or better bonding with your animal companion, this book includes the magickal tips you need to manifest your will in the world. Grimassi has written extensively about Wicca, and Llewellyn specializes in books sympathetic to occult ways, so the combination is pretty predictable. He describes not only the usual magic practices, but also the religious and spiritual aspects of what believers say is inherited ancient European wisdom and scoffers say is made-up, new-age nonsense. Annotation copyrighted by Book News, Inc., Portland, OR NOTE: THIS IS THE SECOND EDITION AS OF MARCH 27TH, 2022 It's finally freshmen year! Serena, Crystal, Ivy, and Kristy are officially high school girls! The besties reunite with their longtime guy friends who are now sophomores. After school, the group decides to go check out the new Fruitlicious Smoothies store's grand opening. Unfortunately, they aren't prepared for what happens next! The teens come face to face with four malevolent witches who call themselves the Vortex, and their two tagalongs: a spiky-haired warlock and a big green smelly ogre. In the midst of nearly being destroyed, a mysterious woman emerges and saves Serena and her friends. Who was that woman? Why were those evil troublemakers on Earth? Well, what are you waiting for! Open the book and begin the magical journey. Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos. The Egyptian Book of the Dead is one of the oldest and greatest classics of Western spirituality. Until now, the available translations have treated these writings as historical curiosities with little relevance to our contemporary situation. This new version, made from the hieroglyphs, approaches the Book of the Dead as a profound spiritual text capable of speaking to us today. These writings suggest that the divine realm and the human realm are not altogether separate--they remind us that the natural

world, and the substance of our lives, is fashioned from the stuff of the gods. Devoted like an Egyptian scribe to the principle of "effective utterance", Normandi Ellis has produced a prose translation that reads like pure, diaphanous verse. Laurie Cabot, the Official Witch of Salem, Massachusetts, opens up her *Book of Shadows*, the Witch's tome of spells, recipes, and secrets, to share them with the world. Here you will find everything from the essentials of how to create and cast your own spells to detailed recipes and rituals from Laurie's years of experience as a high priestess and Witch. Authentic initiatic practices, rituals, and wisdom collected by the UR Group • Shares a rigorous selection of initiatory exercises, including instructions for creating the diaphanous body of the *Opus magicum*, establishing initiatic consciousness after death, and the construction of magical chains (the enchained awareness of initiates) • Offers studies of mystery traditions throughout history, presenting not only the principles themselves but also witnesses to them and their continual validity today

The "Gruppo di UR" was a group of Italian esotericists who collaborated from 1927 to 1929. The purpose of this group was to study and practice ancient rituals gleaned from the mystery traditions of the world, both East and West, in order to attain a state of superhuman consciousness and power to allow them to act magically on the world. They produced a monthly journal containing techniques for spiritual realization, accounts of personal experiences, translations of ancient texts, and original essays on esoteric topics. The group included a distinguished line-up of occultists, neo-pagans, freemasons, Anthroposophists, orientalist, poets, and members of high society. The prime movers of the group were Arturo Reghini (1878-1946), a Pythagorean mathematician and reviver of a spiritual Freemasonry, and Julius Evola (1898-1974), then a young philosopher with a precocious mastery of the esoteric doctrines of East and West. Many years later, in 1971, Evola gathered these essays into three volumes. Inner Traditions published Volume I in 2001, under the title *Introduction to Magic: Rituals and Practical Techniques for the Magus*. This volume, the second in the series, complements the first one, yet they are not strictly sequential, and their contents can be read in any order. Volume II shares authentic initiatic wisdom and a rigorous selection of initiatory exercises, including instructions for creating the diaphanous body of the *Opus magicum*, establishing initiatic consciousness after death, and the construction of magical chains (the enchained awareness of initiates). It offers studies of mystery traditions throughout history, presenting not only the principles themselves but also witnesses to them and their continual validity today. This series shows that the "Magic" of the UR Group meant an active and affirmative attitude toward individual development, handed down from a "primordial tradition" and discernable in alchemy, Hermetism, esoteric religious doctrines, indigenous practices, Tantra, Taoism, Buddhism, Vedanta, and the pagan mysteries of the West. Although some of the practical experiments demanded extraordinary efforts, both individual and collective, there is incalculable value here even for the less heroic, for merely reading these essays leaves a permanent mark on the reader. The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. "Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca."—Whitley Strieber

Since 1951, when the last of the Witchcraft Acts was repealed, many books have been written about the reappearance of witchcraft and the development of a pagan theology. Churchmen have denounced it. Sociologists have wondered at it. Journalists have penned sensational stories about it. But until the publication of this book, no one had told the real story of it from the inside as frankly as it is told here. Doreen Valiente, one of witchcraft's most widely known figures, was a close friend of the late Gerald Gardner, generally regarded as the founder of present-day witchcraft. Initiated by him and for a time High Priestess of his coven, Doreen Valiente helped him rewrite his seminal *Book of Shadows*. She records the break with Gardner that split his coven, the controversy surrounding Alex Sanders, 'King of the Witches' and memories of many other witches whom she has known, including the lady called 'Dafo', Robert Cochrane, Leslie Roberts and Sybil Leek. Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result. Described here are the clairvoyant communications she

received purporting to come from 'John Brakespeare', an eighteenth-century witch. *The Rebirth of Witchcraft* traces the lineage of the present-day witchcraft from its forerunners through to modern feminist neo-paganism and the new wave of interest in ecology and holistic medicine. By combining autoethnography, performance studies, and memoir, the authors create a writing genre called "performative memoir." This book applies the current thinking in performance studies and autoethnography to demonstrate how performative memoir operates as a unique and specialized way of performative writing. *The Pagan or Witch Elder* is a leader who has led by example, and teaches their wisdom to those that will listen, they have cleared the path for those to follow. We must remember and know who these Spiritual and Magical Warriors were and are, some who are still fighting in the world for our acceptance and understanding. This book is filled with hundreds of Elders (some known and some not well known) who stood tall and fought the establishment with compassion and strength, endurance and wisdom, courage, and determination, to share an ancient knowledge that has been awakened by them in the 21st century. I write this book so that our Pagan community remembers and knows who these brave Spiritual Earth Warriors were and are, and what they have given, sacrificed, and shared for the future of our world. This book is to honour all our Elders, so they are never forgotten and always honoured. *MERRY WE MEET, MERRY WE PART, AND MERRY WE MEET AGAIN!* Finally, after three years of spellbinding adventures, and chaos the fairies along with their wonderful boyfriends have made it to their final school year in *Spells*. With the future saved and their longtime adversaries stuck powerless on Earth it looks like this is the year the Light Guardians can finally enjoy without any interruptions. However, we all know evil doesn't stay hidden for too long. Three evil warlock brothers have traveled across the Magic Dimension searching for a way to free the Dark Fairy. Thus, to free her, they need someone to hold her spirit until they can successfully open the Oblivion Gate. Once the Oblivion Gate is open every villain whose life was lost will be able to cross back over into the living world. Who better for the Dark Fairy to possess than the strongest fairy in the entire universe? As magic returns to Elda, the rival lands of Istria and Eyra once again find themselves moving toward war, swordmaker Katla Aransen finds her ability to commune with the earth strengthening, and Katla's father Aran sets off on an expedition to the far north. Reprint. Rose is plunged into a world of magic and monsters and must learn to master magic, or be consumed by it. At the same time, she learns that she may have to work with the Elf Eloo and the Werewolf Kye - creatures that she believed evil - to save her sister Robin from dark magic users. Will she succeed or be transformed by the magic ... into what? This encyclopedia covers all aspects of witchcraft: magical tools, rituals, concepts, and traditions as well as witchcraft-related deities and historical events. It offers entries about important figures in the field of witchcraft, from witch-trial judges and other persecutors to people at the forefront of the modern witchcraft movement. Compelling entries present definitions of important terms, biographies of central figures, and brief narratives of pivotal events. Jude Bennetts happily ever after has dissolved into a crisis that catapults her into the limelight of the Chicago art scene with a passion to help other struggling female artists. Even though her childhood dreams of being a wife, a mother, and an artist have been realized, Jude instinctively knows something is missing. So when her mother suddenly dies, she sets out on a quest to find herself. As her search for meaning in an unpredictable world takes her from rural Illinois into the international art world, from Christian traditions to a universal spirituality that encompasses even her Native American heritage, and from the belief that she needs a man to be whole, Jude must learn to embrace her vulnerability, the joy of self-discovery, and most importantly, her purpose. *Woman Alone* is the story of a creative woman's murky yet magical search for meaning as she questions her life, her immortality, and where she truly belongs. Join Debra DeAngelo as she teaches you the ABCs and 123s of Paganism. The first section is all about your inner realm, where you'll become reacquainted with your true self and reconnect with your body. The second focuses on the natural world around you; you'll learn to spiritually connect with plants, animals, the environment, the planet, and the cosmos. The third is about the tantalizing mysteries of magic and mysticism, where you'll conduct simple rituals to further expand your Pagan experience. *Pagan Curious* is designed like a beautiful Pagan garden with 40+ activities—spells, meditations, affirmations, altars, and meeting deity—that will enchant your spirit and help you create a more magical life. "His 'Magical Awakening Treatments' have helped me pass through emotional obstacles and blockages with ease and grace."—Carrie Ann Inaba This

book teaches a system of energy healing called *Magical Awakening*, a playful yet powerful style of energy healing based in the Celtic shamanic concept of the three cauldrons, plus Arthurian imagery. It is a rich, Merlin-inspired magical energy healing system as playful as Harry Potter and more powerful than Reiki. Brett Bevell is the author of *The Reiki Magic Guide To Self Attunement*, *Energy Healing for Everyone*, and two poetry books. Brett teaches at Omega Institute and The Sanctuary. The *Feminine and Masculine* have been experiencing the feelings of separation, abandonment, betrayal, resentment, jealousy, anger, fearing each other, not understanding one another, irritated by the other, and an overall distrust for so long. Sex has been used as a weapon not only against men and women, but against children as well, and this natural power we all naturally possess as humans, have been hijacked from us by dark forces. This book gives us another chance as humans to build a healthy, divine relationship and a sexual union. An art that has been long forgotten. Finally, men can understand women and women can understand men, to the core. And most of all, we can all understand ourselves and the natural powers we have as the embodiment of the god/goddess on earth. What is magic and how we create it naturally as humans? What is sex, what is sex magic? What is the potential that a sacred union holds for us? The priestesses of the original temple of Isis and Lilith bring the occult knowledge of sex magic back from the temple and show us how we can incorporate it in our modern lives. Here you will find the knowledge of sexual alchemy for the awakened human. This book is the first level of the teachings and a self initiation to the temple, for those who wish to be initiated into the realm of the temple itself. The initiation is not easy. It is not for everyone. Many will not even want to finish reading this book. But those who do, will begin their path as living gods. This book not only offers a new view about the divine feminine and the divine masculine but also gives simple, practical practices for men and women and conscious couples who are ready for a sacred union. Secret practices of sex magic to re-program the god-man and the goddess on earth. You will learn about Magic and imagination, dreams and time travel, as tools for sex magic as well as the shadow aspects of sex, such as: sexual trauma, monogamy vs. multiple partners, bondage and submission, sexual possession, sexual dysfunction and destruction of sexual powers in our society, through religion, pedophilia, and mainstream media- but above all- you will learn how to take our powers back. “The Mother has shown me the potential of what we can create in full union of divine masculine and feminine. And let me tell you...It is pure ecstasy. Ultimate ecstasy and spiritual awakening through sex. What we need now is a massive evolution of relationships. We need an awakening of our sacredness with a sense of responsibility and awe to our own powers. When two conscious beings come together with an intention, knowing they can and will create a third creation together, what they form in this reality MUST be sacred. For we are all already sacred beings.” -- Luna Ora

Magic, always part of the occult underground in North America, has experienced a resurgence since the 1960s. Although most contemporary magical religions have come from abroad, they have found fertile ground in which to develop in North America. Who are today's believers in Witchcraft and how do they worship? Alternative spiritual paths have increased the ranks of followers dramatically, particularly among well-educated middle-class individuals. Witchcraft and Magic conveys the richness of magical religious experiences found in today's culture, covering the continent of North America and the Caribbean. These original essays survey current and historical issues pertinent to religions that incorporate magical or occult beliefs and practices, and they examine contemporary responses to these religions. The relationship between Witchcraft and Neopaganism is explored, as is their intersection with established groups practicing goddess worship. Recent years have seen the growth in New Age magic and Afro-Caribbean religions, and these developments are also addressed in this volume. All the religions covered offer adherents an alternative worldview and rituals that are aimed at helping individuals redefine themselves and make their interactions with the environment more

empowered. Many modern occult religions share an absence of dogma or central authority to determine orthodoxy, and have become a contemporary experience embracing modern concerns like feminism, environmentalism, civil rights, and gay rights. Afro-Caribbean religions such as Santería, Palo, and Curanderismo, which do have a more developed dogma and authority structure, offer their followers a religion steeped in African and Hispanic traditions. Responses to the growth of magical religions have varied, from acceptance to an unfounded concern about the growth of a satanic underground. And, as magical religions have flourished, increased interest has resulted in a growing commercialization, with its threat of trivialization. The Complete Grimoire is a practical and authentic guide for the beginning witchcraft practitioner by the creator of the hugely popular Instagram handle Wiccan Tips. A New York Times Bestseller! From Colleen Houck, New York Times bestselling author of *The Tiger's Curse*, comes an epic Egyptian-inspired adventure about two star-crossed teens who must battle mythical forces and ancient curses on a journey with more twists and turns than the Nile itself! But fate has taken hold of Lily, and she, along with her sun prince, Amon, must travel to the Valley of the Kings, raise his brothers, and stop an evil, shape-shifting god named Seth from taking over the world. And don't miss new adventures with Lily in the rest of the *Reawakened* series: *Recreated* and *Reunited*! Praise for the *Reawakened* Series: "[A] must-read for thrill-seekers and fans of alternate worlds."—RT Book Reviews "Rick Riordan fans who are looking for another series will delight in this fantasy."—SLJ "Wonderfully written and...the heart-pounding adventures are topped only by the heart-melting romance."—The Desert News "A sparkling new novel with a fully imagined world and mythos, and crackling romance! Egyptian mythology has never been this riveting!"—Aprilynne Pike, #1 New York Times bestselling author of the *Wings* series, on *Reawakened*, book one in the series *Everyone* thinks that Jude Bennett and her husband of twenty-plus years are the perfect couple. But what no one knows is Jude's husband has a mistress he doesn't want to let go. After Jude finally summons the strength to leave her marriage and her mother suddenly dies, she sets out on a quest to find herself. Even though her childhood dreams of being a wife, a mother, and an artist have been realized, Jude instinctively knows something is missing. As her search for meaning in an unpredictable world takes her from rural Illinois into the international art world, from Christian traditions to a universal spirituality that encompasses even her Native American heritage, and from the belief that she needs a man to be whole, Jude must learn to embrace the joy of self-discovery, her vulnerability, and most importantly, her purpose. *Woman Alone* is the story of a creative woman's murky yet magical search for meaning after her marriage ends and leaves her questioning her life, her immortality, and where she truly belongs. *The legacy of the residential school system ripples throughout Native Canada, its fingerprints on the domestic violence, poverty, alcoholism, drug abuse, and suicide rates that continue to cripple many Native communities. Magic Weapons is the first major survey of Indigenous writings on the residential school system, and provides groundbreaking readings of life writings by Rita Joe (Mi'kmaq) and Anthony Apakark Thrasher (Inuit) as well as in-depth critical studies of better known life writings by Basil Johnston (Ojibway) and Tomson Highway (Cree). Magic Weapons examines the ways in which Indigenous survivors of residential school mobilize narrative in their struggles for personal and communal empowerment in the shadow of attempted cultural genocide. By treating Indigenous life-writings as carefully crafted aesthetic creations and interrogating their relationship to more overtly politicized historical discourses, Sam McKegney argues that Indigenous life-writings are culturally generative in ways that go beyond disclosure and recompense, re-envisioning what it means to live and write as Indigenous individuals in post-residential school Canada. A guide for personal exploration of the path to the divine feminine and the spiritual power of women. • Reveals the essential role of women in creating and maintaining the psychic/energetic/emotional landscape of society. • Explores feminine roles and the archetypal model of the Great Goddess from both Eastern and Western spiritual traditions. • Includes exercises, meditations, and visualizations drawn from ancient techniques to assist women with their spiritual awakening and self-realization. The Path of the Priestess takes readers on a journey*

deep into the heart of the feminine experience. It describes the author's years of first-hand experience in the ancient arts of Tantra, Dzogchen, and Indian and Egyptian temple dance and healing, as well as her research into the feminine principle in the mystic teachings of the Alchemists, Hebrew Kabbalists, and Christian Gnostics. Beginning with an analysis of the basic issues and frustrations inherent in contemporary society's conditioning of and expectations for women, readers travel back in time to the age of the great temples, schools, and sacred societies in which women still held and transmitted the spiritual light that nourished all of civilization. Through its mythic and historic tales, descriptions of sacred ritual practices, and teachings on the Goddess traditions, *The Path of the Priestess* provides contemporary women with the means to enter this time-honored path. In keeping with the experientially based teaching methods of these traditions, it also offers exercises and visualizations designed to align women with the powerful, sensuous, and loving energies of the most profound feminine role model that shaped and preserved culture and society--the Great Goddess. Create the life you seek. . . discover a pathway to the powers within. All women possess the primal courage and strength of the Witch.
