**Methodists** Sep 21 2019 A Collection of Hymns for the Use of the People Called Methodist, first published in 1780, was the definitive collection of hymns to appear during the lifetime of John Wesley. As the culmination of a lengthy process of preparing a 'general hymn-book,' he selected the 525 hymns presented here from more than fifty hymnbooks published during the preceding forty-three years. It was very distinctly Methodist in character. The arrangement of the hymns was carefully designed to reflect the Wesleyan concept of the way of salvation and the pattern of Christian experience.

*Methodism: A Very Short Introduction* Jan 06 2021 Beginning as a renewal movement within Anglicanism in the eighteenth century, Methodism had become the largest Protestant denomination in the USA in the nineteenth century, and is today one of the most vibrant forms of Christianity. Representing a complex spiritual and evangelistic experiment that involves a passionate commitment to worldwide mission, it covers a global network of Christian denominations. In this Very Short Introduction William J. Abraham trace Methodism from its origins in the work of John

Wesley and the hymns of his brother, Charles Wesley, in the eighteenth century, right up to the present. Considering the identity, nature, and history of Methodism, Abraham provides a fresh account of the place of Methodism in the life and thought of the Christian Church. Describing the message of Methodism, and who the Methodists are, he also considers the practices of Methodism, and discusses the global impact of Methodism and its decline in the homelands. Finally Abraham looks forward, and considers the future prospects for Methodism. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. **Holy Contradictions** Nov 04 2020 How might United Methodists bear witness to graceful and mutually respectful ways of living in the Wesleyan tradition amid enduring disagreements about same-gender relationships and related church practices? The contributors engage the question by asking themselves: • How do I approach this question in light of my particular social location? • What do I believe is most at stake, most at risk, and most needed at this time in the life of The UMC? • How does my understanding of scripture and our theological task shape how I envision how we might best live into the future? From the Faultlines collection, resources intended to inform conversations around human sexuality and the church.
