The Last Novel Feb 18 2022 Just when one had started mourning the demise of avant-garde and postmodern fiction . . . here comes David Markson's latest 'novel' which is anything but a novel in any conventional sense of the term. The Vagrants Mar 19 2022 In luminous prose, award-winning author Yiyun Li weaves together the lives of unforgettable characters who are forced to make moral choices, and choices for survival, in China in the late 1970s. Shortlisted for the 2011 International IMPAC Dublin Literary Award Morning dawns on the provincial city of Muddy River. A young woman, Gu Shan, a bold spirit and a follower of Chairman Mao, has renounced her faith in Communism. Now a political prisoner, she is to be executed for her dissent. Her distraught mother, determined to follow the custom of burning her only child's clothing to ease her journey into the next world, is about to make another bold decision. Shan's father, Teacher Gu, who has already, in his heart and mind, buried his rebellious daughter, begins to retreat into memories. Neither of them imagines that their daughter's death will have profound and far-reaching effects, in Muddy River and beyond. In luminous prose, Yiyun Li weaves together the lives of these and other unforgettable characters, including a serious seven-year-old boy, Tong; a crippled girl named Nini; the sinister idler Bashi; and Kai, a beautiful radio news announcer who is married to a man from a powerful family. Life in a world of oppression and pain is portrayed through stories of resilience, sacrifice, perversion, courage, and belief. We read of delicate moments and acts of violence by mothers, sons, husbands, neighbors, wives, lovers, and more, as Gu Shan's execution spurs a brutal government reaction. Writing with profound emotion, and in the superb tradition of fiction by such writers as Orhan Pamuk and J. M. Coetzee, Yiyun Li gives us a stunning novel that is at once a picture of life in a special part of the world during a historic period, a universal portrait of human frailty and courage, and a mesmerizing work of art. Praise for *The Vagrants* "She bridges our world to the Chinese world with a mind that is incredibly supple and subtle."—W Magazine "A Balzacian look at one community's suppressed loves and betrayals."—Vogue "A sweeping novel of struggle, survival, and love in the time of oppression. . . . [an] illuminating, morally complex, and symphonic novel."—O Magazine

Melville: A Novel May 09 2021 Originally published to promote his French translation of Moby-Dick, Jean Giono's Melville: A Novel is an astonishing literary compound of fiction, biography, personal essay, and criticism. In the fall of 1849, Herman Melville traveled to London to deliver his novel White-Jacket to his publisher. On his return to America, Melville would write Moby-Dick. Melville: A Novel imagines what happened in between: the adventurous writer fleeing London for the country, wrestling with an angel, falling in love with an Irish nationalist, and, finally, meeting the angel's challenge—to express man's fate by writing the novel that would become his masterpiece. Eighty years after it appeared in English, Moby-Dick was translated into French for the first time by the Provençal novelist Jean Giono and his friend Lucien Jacques. The publisher persuaded Giono to write a preface, granting him unusual latitude. The result was this literary essay, Melville: A Novel—part biography, part philosophical rumination, part romance, part unfettered fantasy. Paul Eprile's expressive translation of this intimate homage brings the exchange full circle. Paul Eprile was a co-winner of the French-American Foundation's 2018 Translation Prize for his translation of Melville.

The Prince of Tides Jun 22 2022 "A big, sprawling saga of a novel" (San Francisco Chronicle), this epic family drama is a masterwork by the revered author of *The Great Santini*. Pat Conroy's classic novel stings with honesty and resounds with drama. Spanning forty years, it's the story of turbulent Tom Wingo, his gifted and troubled twin sister, Savannah, and their struggle to triumph over the dark and tragic legacy of the extraordinary family into which they were born. Filled with the vanishing beauty of the South Carolina Low Country as well as the dusty glitter of New York City, *The Prince of Tides* showcases an American original at his very best. Praise for *The Prince of Tides* "This is a powerful book. . . . [Pat] Conroy is a master of language."—The Atlanta Journal "A big, sprawling saga of a novel . . . the kind you can hole up with and spend some days with and put down feeling that you've emerged from a terrible, wonderful spell."—San Francisco Chronicle "A literary gem . . . The Prince of Tides is in the best tradition of novel writing. It is an engrossing story of unforgettable characters."—The Pittsburgh Press "A masterpiece."—Detroit Free Press "Brilliant."—Chicago Tribune

The Book of Dreams May 21 2022 Warm, wise, and magical—the latest novel by the bestselling author of THE LITTLE PARIS BOOKSHOP and THE LITTLE FRENCH BISTRO is an astonishing exploration of the thresholds between life and death Henri Skinner is a hardened ex-war reporter on the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, THE BOOK OF DREAMS is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.

The American Novel After Ideology, 1961–2000 Aug 24 2022 Claims of ideology's end are, on the one hand, performative denials of ideology's inability to end; while, on the other hand, paradoxically, they also reiterate an idea that 'ending' is simply what all ideologies eventually do. Situating her work around the intersecting publications of Daniel Bell's *The End of Ideology* (1960) and J.D. Salinger's *Franny and Zooey* (1961), Laurie Rodrigues argues that American novels express this paradox through nuanced applications of non-realist strategies, distorting realism in manners similar to ideology's distortions of reality, history, and belief. Reflecting the astonishing cultural variety of this period, *The American Novel After Ideology, 1961 - 2000* examines Franny and Zooey, Carole Hatcher Polite's *The Flagellants* (1967), Leslie Marmon Silko's *Almanac of the Dead* (1991), and Philip Roth's *The Human Stain* (2001) alongside the various discussions around ideology with which they intersect. Each novel's plotless narratives, dissolving subjectivities, and cultural codes organize the texts' peculiar relations to the post-ideological age, suggesting an aesthetic return of the repressed.

Screening The Novel Feb 24 2020 The book takes as its theme the relationship between literature and the contemporary means of production and distribution collectively termed 'the media' - in particular, film and television. The intention of the book is to explore and evaluate the mutual opportunities and restrictions in this relationship. In the grammar of our culture there seems to be an accepted opinion that print is superior in terms of cultural production to film, radio or television, that to read a book is somehow a 'higher' cultural activity than seeing a play on television or seeing a film. By the same token, a novel is a 'superior' work of art to film or television. The longer perspective reveals that traditionally there always is a greater respect paid to the previous mode of literary production - poetry was superior to drama, poetic drama was superior to the novel, and film attained cult and classic status initially over television.

Matrix Nov 03 2020 AN INSTANT NEW YORK TIMES BESTSELLER WINNER OF THE 2022 JOYCE CAROL OATES PRIZE FINALIST FOR THE 2021 NATIONAL BOOK AWARD FOR FICTION One of Barack Obama's Favorite Books of 2021 Named a Best Book of the Year by The New York Times, The Washington Post, TIME, NPR, The Financial Times, Good Housekeeping, Esquire, Vulture, Marie Claire, Vox, The Los Angeles Times, USA Today and more! "A relentless exhibition of Groff's freakish talent. In just over 250 pages, she gives us a character study to rival Hilary Mantel's Thomas Cromwell ."—USA Today "An electric reimagining . . . feminist, sensual . . . unforgettable."—O, The Oprah Magazine "Thrilling and heartbreaking."—Time Magazine "[A] page-by-page pleasure as we soar with her."—New York Times One of our best American writers, Lauren Groff returns with her exhilarating first new novel since the groundbreaking *Fates and Furies*. Cast out of the royal court by Eleanor of Aquitaine, deemed too coarse and rough-hewn for marriage or courtly life, seventeen-year-old Marie de France is sent to England to be the new prioress of an impoverished abbey, its nuns on the brink of starvation and beset by disease. At first taken aback by the severity of her new life, Marie finds focus and love in collective life with her singular and mercurial sisters. In this crucible, Marie steadily supplants her desire for family, for her homeland, for the passions of her youth with something new to her: devotion to her sisters, and a conviction in her own divine visions. Marie, born the last in a long line of women warriors and crusaders, is determined to chart a bold new course for the women she now leads and protects. But in a world that is shifting and corroding in frightening ways, one that can never reconcile itself with her existence, will the sheer force of Marie's vision be bulwark enough? Equally alive to the sacred and the profane, *Matrix* gathers currents of violence, sensuality, and religious ecstasy in a mesmerizing portrait of consuming passion, aberrant faith, and a woman that history moves both through and around. Lauren Groff's new novel, her first since *Fates and Furies*, is a defiant and timely exploration of the raw power of female creativity in a corrupted world.

Schroder Oct 02 2020 A lyrical and deeply affecting novel recounting the seven days a father spends on the road with his daughter after kidnapping her during a parental visit. Attending a New England summer camp, young Eric Schroder—a first-generation East German immigrant—adopts the last name Kennedy to more easily fit in, a fateful white lie that will set him on an improbable and ultimately tragic course. SCHRODER relates the story of Eric's urgent escape years later to Lake Champlain, Vermont, with his six-year-old daughter, Meadow, in an attempt to outrun the authorities amid a heated custody battle with his wife, who will soon discover that her husband is not who he says he is. From a correctional facility, Eric surveys the course of his life to understand—and maybe even explain—his behavior: the painful separation from his mother in childhood; a harrowing escape to America with his taciturn father; a romance that withered under a shadow of lies; and his proudest moments and greatest regrets as a flawed but loving father. Alternately lovesick and ecstatic, Amity Gaige's deftly imagined novel offers a profound meditation on history and fatherhood, and the many identities we take on in our lives—those we are born with and those we construct for ourselves.

Pamela Apr 20 2022 Fiction. "While the new sentence—the prose wing of Language writing—strips narrative down to pointed sets of shifting referents, Lu, in her debut, knowingly resuscitates it, creating a precise and humorous elegy to the self, and to its self-subversions. This quasi-bildungsroman charts the emergence of an 'I' (not 'P' and not 'Pamela,' though the three characters do appear together) into a 20-something Bay Area, with memories of a suburban childhood close on her heels.... This is a book of extraordinary philosophical subtlety and clarity, one that manages to tell a beautiful story in spite of itself"—*Publishers Weekly*.

Sea Wife Jul 11 2021 A New York Times Notable Book "Sea Wife is a gripping tale of survival at sea—but that's just the beginning. Amity Gaige also manages, before she's done, to probe the underpinnings of romantic love, marriage, literary ambition, political inclinations in the Trump age, parenthood, and finally, the nature of survival itself in our broken world. Gaige is thrillingly talented, and her novel enchants." —Jennifer Egan "Sea Wife brilliantly breathes life not only into the perils of living at sea, but also into the fraught and hidden dangers of domesticity, motherhood, and marriage. What a smart, swift, and thrilling novel." —Lauren Groff From the highly acclaimed author of *Schroder*, a smart, sophisticated page literary page-turner about a young family who escape suburbia for a yearlong sailing trip that upends all of their lives. Juliet is failing to juggle motherhood and her stalled-out dissertation on confessional poetry when her husband, Michael, informs her that he wants to leave his job and buy a sailboat. With their two kids—Sybil, age seven, and George, age two—Juliet and Michael set off for Panama, where their forty-four foot sailboat awaits them. The initial result is transformative; the marriage is given a gust of energy, Juliet emerges from her depression, and the children quickly embrace the joys of being feral children at sea. Despite the stresses of being novice sailors, the family learns to crew the boat together on the ever-changing sea. The vast horizons and isolated islands offer Juliet and Michael reprieve – until they are tested by the unforeseen. *Sea Wife* is told in gripping dual perspectives: Juliet's first person narration, after the journey, as she struggles to come to terms with the life-changing events that unfolded at sea, and Michael's captain's log, which provides a riveting, slow-motion account of these same inexorable events, a dialogue that reveals the fault lines created by personal history and political divisions. *Sea Wife* is a transporting novel about marriage, family and love in a time of unprecedented turmoil. It is unforgettable in its power and astonishingly perceptive in its portrayal of optimism, disillusionment, and survival.

White Collar Feb 06 2021 "The struggles and injustices faced by workers during the Great Depression spring to graphic life in this powerful wordless novel, which traces a middle-class family's downward spiral. Patri was forced to print his masterwork privately in limited quantities; this magnificent, first-ever hardcover version is lovingly reproduced from a self-published edition. Pym: A Novel Nov 15 2021 "THE SHARPEST AND MOST UNUSUAL STORY I READ LAST YEAR . . . [Mat] Johnson's satirical vision roves as freely as Kurt Vonnegut's and is colored with

the same sort of passionate humanitarianism.”—Maud Newton, *New York Times Magazine* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The Washington Post* • *Vanity Fair* • *Houston Chronicle* • *The Seattle Times* • *Salon* • *National Post* • *The A.V. Club* Recently canned professor of American literature Chris Jaynes has just made a startling discovery: the manuscript of a crude slave narrative that confirms the reality of Edgar Allan Poe’s strange and only novel, *The Narrative of Arthur Gordon Pym of Nantucket*. Determined to seek out Tsalal, the remote island of pure and utter blackness that Poe describes, Jaynes convenes an all-black crew of six to follow Pym’s trail to the South Pole, armed with little but the firsthand account from which Poe derived his seafaring tale, a bag of bones, and a stash of Little Debbie snack cakes. Thus begins an epic journey by an unlikely band of adventurers under the permafrost of Antarctica, beneath the surface of American history, and behind one of literature’s great mysteries. “Outrageously entertaining, [Pym] brilliantly re-imagines and extends Edgar Allan Poe’s enigmatic and unsettling Narrative of Arthur Gordon Pym of Nantucket. . . . Part social satire, part meditation on race in America, part metafiction and, just as important, a rollicking fantasy adventure . . . reminiscent of Philip Roth in its seemingly effortless blend of the serious, comic and fantastic.”—Michael Dirda, *The Washington Post* “Blisteringly funny.”—Laura Miller, *Salon* “Relentlessly entertaining.”—*The New York Times Book Review* “Imagine Kurt Vonnegut having a beer with Ralph Ellison and Jules Verne.”—*Vanity Fair* “Screamingly funny . . . Reading Pym is like opening a big can of whoop-ass and then marveling—gleefully—at all the mayhem that ensues.”—*Houston Chronicle*

The Unfinished Novel and Other Stories Oct 26 2022 In this vital and heartbreaking collection of stories, Valerie Martin, the bestselling author of *Mary Reilly* and the internationally acclaimed *Property*, turns an unflinching eye upon artists—driven and blocked, desired and detested, infamous and sublime, as they struggle beneath the tyranny of Art to reconcile their audience with their muse. A painter who owes his small success to a man he despises, discovers that his passivity has cost him the love that might have set him free. A writer of modest talents encounters the old love who once betrayed him; now she repels him, yet the unfinished novel she leaves in his hands may surpass anything he could ever produce himself. An American poet in Rome finds herself forced to choose between her lover and a world so alien it takes her voice away. A print maker, who has reached a certain age, enters so deeply into the magical world of her imagination that she can never find her way back.
