The Civil War from a Southern Standpoint Jun 23 2022

Daily Life in Civil War America Nov 23 2019 The United States Civil War touched the lives of every American North and South at that time. This informative book makes extensive use of journals, newspapers, and diaries to bring together the experience of the soldier, civilian, and slave in one volume. What the soldiers ate, how they lived, and what they did for entertainment are discussed in detail. The experiences of Billy Yank and Johnny Reb are contrasted with activities on the homefront to bring this turbulent era alive for students, teachers, and Civil War buffs.

The Legacy of the Civil War Jul 24 2022 In this elegant book, the Pulitzer Prize-winning writer explores the manifold ways in which the Civil War changed the United States forever. He confronts its costs, not only human (six hundred thousand men killed) and economic (beyond reckoning) but social and psychological. He touches on popular misconceptions, including some concerning Abraham Lincoln and the issue of slavery. The war in all its facets “grows in our consciousness,” arousing complex emotions and leaving “a gallery of great human images for our contemplation.”

Horses and Mules in the Civil War Jan 18 2022 Horses and mules served during the Civil War in greater number and suffered more casualties than the men of the Union and Confederate armies combined. Using firsthand accounts, this history addresses the many uses of equines during the war, the methods by which they were obtained, their costs, their suffering on the battlefields and roads, their consumption by soldiers, and such topics as racing and mounted music. The book is supplemented by accounts of the "Lightning Mule Brigade," the "Charge of the Mule Brigade," five appendices and 37 illustrations. More than 700 Civil War equines are identified and described with incidental information and identification of their masters.

The Gettysburg Address Oct 23 2019 The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its

citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

The Memory of the Civil War in American Culture Nov 28 2022 The Civil War retains a powerful hold on the American imagination, with each generation since 1865 reassessing its meaning and importance in American life. This volume collects twelve essays by leading Civil War scholars who demonstrate how the meanings o

The Longest Night Sep 21 2019 A military history of the Civil War from Fort Sumpter to Lee's surrender at Appomottax covers the Western theater, war strategies, major and obscure battles at land and sea, and the role of railroads and African Americans.

Slavery, Civil War, and Reconstruction, Grades 6 - 12 Apr 21 2022 Bring history to life for students in grades 6–12 using *Slavery, Civil War, and Reconstruction*. This 128-page book is perfect for independent study or use as a tutorial aid. It explores history, geography, and social studies with activities that involve critical thinking, writing, and technology. The book includes topics such as slavery, the Civil War, the Reconstruction, the Fugitive Slave Law, Dred Scott, Lincoln's presidency, the Freedman's Bureau, and Jim Crow laws. It also includes vocabulary words, time lines, maps, and reading lists. The book supports NCSS standards and aligns with state, national, and Canadian provincial standards.

Civil War in the American Workplace Apr 28 2020 *Civil War In The American Workplace* is a book that appeals to organization leaders, managers and employees. In Dr. Rosene's extensive business consultations, she has identified employee work conflicts as the main reason employees do not perform up to their ability. Employee negativity adversely impacts organization ability to compete and survive the 21st century economic challenges. Adding to the worker negativity challenge, business leaders and professionals tend to be stymied by worker conflicts. The challenge facing business and professional leaders is they must find ways to understand the origins of employee conflict before they can unlock the keys to productive and positive employees. Leaders and business professionals applying correct motivators for their workers will create a willingness among their employee groups to become high producers. *Civil War In*

The American Workplace is just the business tool for leaders and professionals, to better understand their worker's preferred behavioral styles, and thus their beliefs as applied to the workplace. When business leaders understand their employee preferred behavioral styles, they can take the mystery out of work conflict. Business leaders and professionals who possess the knowledge for resolving work conflicts found in this book will be those individuals who will drive organizations that thrive in these tumultuous economic times.

The Civil War Mar 08 2021 This book does not recount the history of the Civil War. Rather, the intent is to give, in words and pictures, impressions of that war.

Amazing Women of the Civil War Jan 06 2021 Celebrates the Civil War contributions and exploits of such women spies, soldiers, journalists, doctors, and nurses as Harriet Tubman, Belle Boyd, Elizabeth Van Lew, Lucy Hayes, and Pauline Cushman

Civil War and Reconstruction in Alabama Sep 14 2021 Describes the society and the institutions that went down during the Civil War and Reconstruction and the internal conditions of Alabama during the war. Emphasizes the social and economic problems in the general situation, as well as the educational, religious, and industrial aspects of the period.

Writing the Civil War Oct 27 2022 Co-edited by the author of the Pulitzer Prize-winning Battle Cry of Freedom, a collection of essays by fourteen distinguished historians discusses the ongoing effort to chronicle the Civil War and trends in Civil War scholarship. History Alt. UP.

The Civil War For Dummies® Sep 26 2022 The Civil War was America's trial by fire; its battles forged the nation we know today. We're still fascinated with it – the national reckoning with slavery, the legendary generals and leaders, the epic and bloody clashes of armies, the impact on the daily lives of ordinary people. We visit its battlefields – mostly idyllic patches of countryside near small towns and creeks – where more Americans died in combat than in all other wars combined, except for World War Two. And we tell its stories – of last charges, brother fighting brother, imprisonment and emancipation, and tragedy and rebirth. It is our country's epic; the story of how we became who we are, and what price we paid. The Civil War For Dummies is your complete introduction to this seminal conflict. Eschewing tedious historical pondering and military micro-analysis, this fun and information-rich guide gives an accurate overview of the event, from the war's causes through the fighting to the aftermath. Inside you'll discover: 1850-1860: what led to war First Bull Run: illusions lost Antietam: the bloodiest day The Emancipation Proclamation Heroes and goats of each major battle Jackson's Valley Campaign Sherman's March to the Sea Surrender at Appomattox And much more Full of sidebars and illustrations, The Civil War For Dummies brings history to life with personalities, factoids, battle reports, strategic maps, and "what ifs." In addition to the military and political history, you'll also find out about: The African American experience in the war Women and the Civil War Native Americans and the war The life of the common soldier Banking and finance systems and the

war “Firsts” that make the Civil War history’s first modern war Civil War food Civil War tourism: the best battlefields to visit, and how to get the most out of your trip Written in an accessible style so you can start reading at any point in the story, The Civil War For Dummies makes a great cornerstone for learning about this violent and compelling chapter of American history.

Campaigns of the Civil War Aug 13 2021 Campaignes of the Civil War - inclusive.

On the Road to Total War Oct 15 2021 On the Road to Total War attempts to trace the roots and development of total industrialised warfare, a concept which terrorises citizens and soldiers alike. Mass mobilisation of people and resources and the growth of nationalism led to this totalisation of war in nineteenth-century industrialised nations. In this collection of essays, international scholars focus on the social, political, economic, and cultural impact of the American Civil War and the German Wars of Unification.

New Hampshire in the Civil War Sep 02 2020 In the course of history, few human events have had so compelling an effect and left such a deep mark on the nation's soul as has the Civil War. New Hampshire in the Civil War presents a unique and concise pictorial chronicle of the state's volunteer regiments that served during the four very long and costly war years. This volume includes more than 200 vivid and accurate pictures depicting heroic battles scenes, maps, camp life, and more than 40 portraits of the men who served New Hampshire in battle. These chapters contain accounts of battles from the first

bombardment of Fort Sumter to the sinking of the Alabama. Also included are glimpses of camp life, with its frying pan meals of "slosh" and the illnesses accompanied by "cold clammy sweat," and of the famous Libby Prison. Reminiscences of the Civil War Dec 05 2020 GENERAL JOHN B. GORDON'S last work was the publishing of his "Reminiscences of the Civil War." This volume, written in his vigorous style and broad, patriotic spirit, has been most favorably received and read all over the country. Since his death this memorial edition is brought out; and it is appropriate that an additional introduction should accompany it, somewhat in the shape of a biographical sketch. General John Brown Gordon was an all-round great man--a valiant and distinguished soldier, an eminent statesman, a great orator, an author of merit, and a public-spirited and useful citizen. He was born in Upson County, Georgia, February 6, 1832. His father was the Rev. Zachary Herndon Gordon. The family was of Scotch extraction, and its members fought in the Revolutionary War. He received his education at the university of his native State, and by profession was a lawyer. At the breaking out of the war, in 1861, he enlisted as a private soldier, and was elected captain of his company. His career was perhaps as brilliant as that of any officer in the Confederate army. In rapid succession he filled every grade--that of Major, Lieutenant-Colonel, Colonel, Brigadier-General, Major-General, and, near the end, was assigned to duty as Lieutenant-General (by authority of the Secretary of War), and while he never received the commission in regular form, he commanded, at the surrender at Appomattox, one

half of the Army of Northern Virginia, under Robert E. Lee. At the close of the war he had earned the reputation of being perhaps the most conspicuous and personally valiant officer surviving, and the one generally regarded as most promising and competent for increased rank and larger command. His imposing and magnificent soldierly bearing, coupled with his splendid ringing voice and far-reaching oratory, made him the "White-plumed Knight of our Southland" and the "Chevalier Bayard of the Confederate Army." He had the God-given talent of getting in front of his troops and, in a few magnetic appeals, inspiring them almost to madness, and being able to lead them into the jaws of death. This was notably done at Fredericksburg, and again on the 12th of May, at the battle of Spottsylvania Court House. He greatly distinguished himself on many bloody fields. I mention now, as most prominent, the battles of Seven Pines, Sharpsburg or Antietam, the Wilderness, Spottsylvania Court House, Cedar Creek, Petersburg, and Appomattox. At Sharpsburg he was wounded five times, but would not leave his troops till the last shot laid him helpless and insensible on the field. A scholarly professor of history in one of our Southern universities recently stated that in his study of the great war on both sides he had found but one prominent general who, when he was in command, or when he led a charge, had never been defeated or repulsed, and that general was John B. Gordon.

Brothers in Gray Oct 03 2020 Residents of antebellum northwest Louisiana held strong pro-Union sentiments, and the Pierson family of Bienville Parish, Louisiana, were

no exception, opposing secession in 1861. Yet once war began, the region contributed its full share of support to the southern army, and four of William H. Pierson's eight sons enlisted. Ranging from the early battles of the Trans-Mississippi to the epic battles of the Army of Northern Virginia, and from the brutal trenches of Vicksburg to provost guard duty in north Louisiana, this extensive collection of Civil War letters, written by three of the Pierson brothers, offers riveting glimpses of almost every variety of experience faced by Confederate soldiers. Prolific letter writers, the Piersons were educated, observant, and well placed to comment not only on the battles and campaigns of their regiments but also on their commanding officers, the effect of political activity on soldier morale, being taken captive, and, most of all, their entire family's understanding of and commitment to the Confederate cause.

After the Civil War May 22 2022 Explores seventy fascinating figures who shaped America during Reconstruction and beyond, from William Tecumseh Sherman to Elizabeth Van Lew to Thomas Nast.

Civil War Day by Day Nov 16 2021 Civil War Day by Day is a chronological history of the conflict Illustrated throughout with photographs. illustrations and maps.

The Hidden Face of the Civil War May 10 2021 Essays appraising over-all Northern and confederate military strategy, and the relative merits of the outstanding generals.

Civil War Generals of Tennessee Dec 17 2021 Native Tennessee generals, about forty Confederate and six

Union, are profiled here with brief biographies. Forrest, Polk, Stewart, and many more are discussed with regard to their childhoods, prewar vocations, participation in battles around the country, and life after the war if they survived.

The Role of Female Union Spies in the Civil War Aug 01 2020 Although not able to fight on the front lines of the Civil War, many brave women worked behind the scenes, engaged in daring acts of espionage and concealment. On the Union side, these covert operatives included actress Pauline Cushman, and abolitionist Elizabeth Van Lew, who used her considerable resources to create and operate a spy ring. Readers learn of the famed Underground Railroad operator Harriet Tubman. This engaging book spotlights seven of these hidden forces behind the Union's victory in the Civil War whose often under-examined life stories will thrill Civil War and espionage buffs alike.

Journalism in the Civil War Era Jun 30 2020 "Bulla and Borchard's analysis of newspapers during the Civil War era shows that this was a transformative time for the press and a perilous time for the relationship between government and the press. The authors argue effectively that `the media that emerged [from the first Modern War] laid the foundation for modern news.'"---David B. Sachsman, West Chair of Excellence and Director of the Symposium on the Nineteenth Century Press, the Civil War, and Free Expression, University of Tennessee at Chattanooga --

The American War Jan 26 2020

Recollections of the Civil War Apr 09 2021

The Civil War Mar 20 2022 Period prints, photographs, and documents accompany this penetrating examination of the political, military, and social aspects of the War Between the States, tracing the conflict from the earliest divisions between North and South to the final surrender of Confederate troops and its aftermath. Reprint.

The History of the Civil War Dec 25 2019 *Includes pictures of important people, places, and events. *Includes accounts of the fighting written by the generals of the battles. *Includes maps of the battles. *Explains the causes and chain of events that led to the secession of Southern states and the formation of the Confederacy. *Includes a Bibliography for further reading. The Civil War was the deadliest conflict in American history, and had the two sides realized it would take 4 years and inflict over a million casualties, it might not have been fought. Since it did, however, historians and history buffs alike have been studying and analyzing the biggest battles ever since. Americans have long been fascinated by the Civil War, marveling at the size of the battles, the leadership of the generals, and the courage of the soldiers. Since the war's start over 150 years ago, the battles have been subjected to endless debate among historians and the generals themselves. The secession of the South was one of the seminal events in American history, but it also remains one of the most controversial. The election of Abraham Lincoln was the impetus for secession, but that was merely one of many events that led up to the formation of the Confederacy and the start of the Civil War. The

Confederacy's hope of being let go in peace ended at 4:30 a.m. on the morning of April 12, 1861, when Confederate Brigadier-General P.G.T. Beauregard ordered the first shots to be fired at the federal garrison defending Fort Sumter in the Charleston Harbor, effectively igniting the Civil War. Today First Bull Run is remembered as the first important land battle of the Civil War, but with over 350 killed on each side, it was the deadliest battle in American history to date, and both the Confederacy and the Union were quickly served notice that the war would be much more costly than either side had believed. The 10 biggest Civil War battles were incredibly bloody, desperate fights that involved the war's most famous figures and determined the fate of several states. All told, over a quarter of a million casualties were inflicted by the two sides during the 10 largest battles, and the fates of the battles and the war itself hung in the balance. Shiloh, Stones River and Chickamauga would all feature Union heroes like Ulysses S. Grant and George H. Thomas preserving Federal control over Tennessee and Kentucky. But during those same periods of time, Robert E. Lee was leading the Army of Northern Virginia to victory over several Union commanders at Fredericksburg, Second Bull Run, and Chancellorsville. Of course, the most famous battles of the war involved the Army of the Potomac blunting Lee's offensives at Antietam and Gettysburg. Antietam was the bloodiest day of the war and forced Lee out of Maryland, allowing Lincoln to issue the Emancipation Proclamation. The following summer would see the biggest and most famous battle at Gettysburg. Lee

would try and fail to dislodge the Union army with attacks on both of its flanks during the second day and Pickett's Charge right down the center of the line on the third and final day. Meade's stout defense held, barely, repulsing each attempted assault, handing the Union a desperately needed victory that ended up being one of the Civil War's turning points. *The History of the Civil War* comprehensively analyzes the events that brought about the war, the major campaigns and decisive battles, and the aftermath of the nation's deadliest conflict. Accounts of the battles by important generals are included, along with analysis of the generals and fighting. Along with maps of the battle and pictures of important people, places, and events, you will learn about the Civil War like you never have before.

The Civil War Feb 19 2022 "3 story paths, 47 choices, 20 endings"--Cover.

The American Civil War* Dec 29 2022 *This volume offers some of the most important scholarship on the American Civil War to appear in the past few decades, including compelling information and insights into subjects ranging from the organization of armies and historiography, to the use of intelligence and the challenges faced by civil and military leaders.

Civil War Photos CD-ROM and Book Nov 04 2020 This collection of 153 contemporary photographs captures the most tumultuous era in American history, with authentic images of Lee, Grant, Jackson, and Lincoln, plus encampments, battle scenes, ironclads, and more.

Behind the Blue and Gray May 30 2020 In this second of a

three part series, this book traces the events of the Civil War from the first battle to the surrender with emphasis on the experiences of the individual soldiers. Whether they wore Union blue or Confederate gray, the untrained recruits of the Civil War quickly learned to endure the hardships of the army life. They experienced the horrors of battle, rampant disease, makeshift hospitals and prison camps, and even boredom. Drawing on letters, diaries, eyewitness accounts, and many vintage photographs, Behind the Blue and Gray explores the lives of soldiers from all walks of life, from all-black Northern regiments to young boys who lied about their age to enlist. Also in this series: A Nation Torn: The Story of How the Civil War Began A Separate Battle: Women and the Civil War Memory and Myth Feb 25 2020 "Ain't nobody clean" : Glory! and the politics of black agency / W. Scott Poole -- Alex Haley's Roots : the fiction of fact / William E. Huntzicker -- A voice of the south : the transformation of Shelby Foote / David W. Bulla.

Technology and the Civil War Aug 25 2022 Describes the developing technologies explored and implemented during the Civil War, including exploding shells, hot air balloons, anesthesia, land mines, submarines, and the telegraph.

The First Battles Feb 07 2021 Uses a variety of contemporary materials to describe and illustrate the early battles in the Civil War from the firing on Fort Sumter in April 1861 to the conflict at Fredericksburg at the end of 1862.

Honoring the Civil War Dead Jul 12 2021 The Milly, Molly
