**Understanding Four Views on the Lord's Supper** Feb 19 2022 Who should participate in the Lord's Supper? How frequently should we observe it? What does this meal mean? What happens when we eat the bread and drink from the cup? What do Christians disagree about and what do they hold in common? These and other questions are explored in this thought-provoking book. This new volume in the Counterpoints: Church Life series allows four contributors to make a case for the following views: \* Baptist view (memorialism) \* Reformed view (spiritual presence) \* Lutheran view (consubstantiation) \* Roman Catholic view (transubstantiation) All contributors use Scripture to present their views, and each responds to the others' essays. This book helps readers arrive at their own conclusions. It includes resources such as a listing of statements on the Lord's Supper from creeds and confessions, quotations from noted Christians, a resource listing of books on the Lord's Supper, and discussion questions for each chapter to facilitate small group and classroom use.

**Let the Communion Commence** Aug 23 2019 Let the Communion Commence: Lighthearted Reflections on the Heart of God for Humanity is a humble effort by a long-time Christian public educator and traveler to use his somewhat unique style and experiences to communicate to his graduating students, and to anyone else who might "come along for the read," the wonders of a life-consuming relationship with God. Much of the content is also inspired by reflections on the sacrament of Communion, and thus the book may be of interest to a broader audience than just to graduates embarking on the next stage of life. Part one of the book seeks to introduce the Christian faith to those who may be unfamiliar with the Gospel message—that the Author and Creator of the Universe seeks communion, or a personal relationship, with anyone willing to embrace the death, resurrection, and Lordship of Jesus Christ in order to receive salvation from the consequences of disobedience to God. Part two encourages lifelong enrollment in the class of learning to be like Jesus Christ in preparation for becoming citizens of, and for introducing others into, the Kingdom of God. Finally, part three of Let the Communion Commence reflects on the ultimate commencement—the beginning of never-ending life in the presence of our Creator. Class is about to begin. Please join me.

What Happens in Holy Communion? Nov 18 2021 All the large churches in the world agree on this: communion is the highest expression of the church unity. Yet it is exactly the act of communion that historically has given rise to vehement controversies among the churches. This new book not only explores the meaning of holy communion but also marks a turning point on the way to common understanding. Welker gives a clear explanation of holy communion based on the biblical tradition and evaluates the ecumenical discourse on communion of the past thirty years. In the process he answers such often posed questions as "What do we mean when we say that Christ is present in communion?" "How are Christ's body and blood connected with bread and wine?" "What is the difference between the Christian Supper and the Jewish Passover meal?" and "Are children allowed to share in communion?"

For the Communion of the Churches Apr 11 2021 Founded by Abb Paul Couturier in 1937, the Groupe des Dombes is a Protestant-Catholic coalition in French-speaking Europe uniting Reformed, Lutheran, and Catholic scholars in a common spirit of prayer, dialogue, and discernment. Its pioneering work of reconciliation has influenced many other official ecumenical dialogues. This volume presents six statements produced by the Groupe des Dombes from 1971 to 1991, which appear here together in English translation for the first time. These substantial documents express the Groupe's keen insights into the renewal of theology and church life that is necessary for progress toward full ecclesial unity and they invite churches to pursue fruitful dialogue, mutual understanding, harmony, and the hopeful vision of a future in full communion. In the journey of the churches toward the unity for which Christ prayed, no other informal group of scholars has been so influential or long-standing in their service as the French Groupe des Dombes. We can be grateful to have this group of texts drawn together, including one newly translated, which have had such a historic role in developing agreements among the churches. The skillful introduction makes these texts a useful resource for teaching, exploring ecumenical history, and providing resources for church leaders in their response to Christ's prayer that they all may be one. Jeffrey Gros, FSC Memphis Theological Seminary Until now, most of these Groupe des Dombes documents have not been readily accessible to English-language readers. . . . We are very grateful to Catherine E. Clifford for collecting these important documents and for translating the text on the papal ministry. This book will help many people to progress toward the communion of the churches. Joseph Famere Catholic University of Louvain

**Backpacking Through the Anglican Communion** Jan 09 2021 The Anglican Communion is said to be coming apart at the seams. But is that really true? This book challenges that tired narrative of Anglican disunity. Jesse Zink has traveled tens of thousands of miles around the world, visiting and worshipping with Anglicans in some of the Communion's most diverse provinces—Nigeria, the largest province ministering in an unstable political environment; South Sudan, at one point the fastest-growing church in the world, now rebuilding after devastating civil wars; England, the mother church of Anglicans, struggling to adjust to a new, secular age; South Africa, a church dealing with the legacy of entrenched discrimination and rapid social change. The story Zink learns at the grassroots level of the church is far different from the one that dominates its highest levels. He shows that when conversations about power, history, and sexuality are undertaken in a spirit of mutuality and trust, they can strengthen, not weaken, the Anglican Communion. The result is a book that presents vivid slices of Anglican life around the world, argues convincingly that unity is central to the Communion's mission, and presents a credible path to achieving that unity in a global church.

It is a book that will be sure to shape coming debates about the future of the Anglican Communion.

*How to Get More Out of Holy Communion* May 25 2022 Discover more Joy and grace in Holy Communion: You'll be surprised at how easy it is to break out of the dullness that obscures the glory of meeting our Lord in Communion. *The Power of Communion* Feb 07 2021 What answer would you give if someone were to ask you, When did the first Communion take place? Chances are good that your response would be something like this: The Last Supper, of course. Everyone knows that! Most Christians would agree with you. However, the Last Supper was not necessarily the first celebration of the Eucharist. The first exchange of bread and wine the Communion elements took place in an historical event thousands of years earlier. Derek's teaching about Communion will captivate your imagination, as will the entire study of the theme in this book. From his starting point in Genesis to the poignant scene with Jesus and His disciples in the Upper Room, Derek will lead us on a biblical journey into a deeper, richer understanding of this precious sacrament of Communion that we observe in honor of Jesus, just as He commanded. Along the way, we will delve deeply into the mysteries of this solemn sacrament. Why are we asked to "eat" Jesus' flesh and "drink" His blood? Why was Jesus called a Priest forever after the order of Melchizedek? What changes take place in us when we take Communion? These and many other questions are answered in *The Power of Communion*. In the final chapters, Derek opens his life to us in a rare, touching, and personal way as he shares from some of the most difficult and yet gratifying moments of his life. With tremendous biblical scholarship and deeply personal accounts, Derek presents this theme in a way that will profoundly impact your relationship with Jesus Christ each time you meet Him at The Table of the Lord.

Holy Communion in Contagious Times Oct 25 2019 Can the church celebrate the eucharist in "contagious times," like the coronavirus pandemic, and if so, how? In this book, Richard Burrige investigates a wide range of proposed options, both in the everyday physical world (fasting the eucharist, spiritual communion, solo and concelebrated communions, lay presidency, drive-in and drive-thru eucharists, and extended communion) and in cyberspace (computer services for avatars, broadcast eucharists online, and narrowcast communions using webinar software like Zoom). Along the way, he tackles the whole range of concepts of the church, ordination, and the eucharist. This book is essential reading for anyone desiring an informed and provocative guide to the theology and practice of holy communion in our challenging times.

**The Communion of Saints. A Sermon [on Rev. Vii. 9].** Dec 28 2019

**First Holy Communion** Dec 08 2020 Mark Allen found no suitable published book to prepare his son for First Holy Communion. First Holy Communion in the Roman Catholic Church is something of the greatest

significance equivalent to confirmation in the Church of England or Bar Mitzvah for Jewish children. A lot of the material published is trite and worst of all tends to patronise the children for whom it is intended. To help parents and teachers answer questions about the ceremony Mark Allen offers readings and background from scripture and catechism. Children are hard-headed and like stories and facts. The narrative of the Bible provides facts, events which happened, and along with them the objective truths of revelation. The Mass is our sacramental encounter with the person of Jesus. Preparation therefore should be based on him and on the Gospel story of His life. The preparation should reflect the unity of the mass, its liturgy of the Word and the Eucharistic Rite, the mystery of Christ in our community as Church. Routine is the key aid to progress. The course provided in this book is based on a series of half hour sessions for parent and teacher with the child. It is thus both practical and down to earth.

*Glimpses of Communion* Nov 06 2020 The author Grady W. Troute has been an elder with the Centerville Church of Christ in Centerville, Ohio, for about three decades. It has been a work of love. His roots with the church go back through his mother's side of the family to an early Arkansas pioneer, Michael Womack. Memories of Grady's youth go back to the Pleasant Home congregation, just out of Murfreesboro, Arkansas. This congregation likely resulted from from a wagon train that arrived from Tennessee in 1849. Grady lives with his wife, Sharon Shipley Troute, in Franklin, Ohio. Sharon provides inspiration to Grady. She has written several articles for the Christian Woman Magazine, and she has been a speaker at Ladies' retreats. She has been quite persuasive in insisting that this book be written. Grady's career background is mostly technical and involved both airborne and earthbound computer systems. Grady holds undergraduate and graduate degrees in Mathematics from North Texas State University. Grady has worked on the F - 111 aircraft, the Minuteman missile, the P - 3c military aircraft, the Space Shuttle, and robotics. Grady spent the last years of his career in management with General Motors and Electronic Data Systems. There was a time when Grady began to record and keep the communion comments that he made when asked to preside over the Lord's Supper. The number recorded grew and in a somewhat surprising way "fed back," influencing Grady as much or more than the audience. Cascading thoughts came, suggesting that more attention should be paid to the communion, congregations should emphasize it more, and more men should be recording their communion remarks to their congregations. Additionally, younger men should be taught. When Grady's communion themes numbered in the thirties, a book of 52 was more in reach. The author has been profoundly moved by thoughts of communion.

**Manna from Athos** Jun 01 2020 This book contains the first complete English translation, fully annotated, of the treatise Concerning Frequent Communion, commonly attributed to Sts. Makarios of Corinth and

Nikodemos the Hagiorite, the compilers of the Philokalia. This pivotal treatise, by two central figures in the Kollyvades movement, which originated on Mount Athos in the late eighteenth and early nineteenth centuries, addresses a somewhat less well-known corollary issue in Orthodox spirituality, that of frequent Communion. The authors discuss the controversy surrounding a decline in the frequency of Communion in the Christian East, the relationship of that controversy to the Kollyvades movement, and the theological arguments in support of frequent Communion advanced by Makarios and Nikodemos, whose joint authorship of the treatise they endeavor to substantiate.

Discourses at the Communion on Fridays Jan 01 2023 Søren Kierkegaard's 13 communion discourses constitute a distinct genre among the various forms of religious writing composed by Kierkegaard. Originally published at different times and places, Kierkegaard himself believed that these discourses served as a unifying element in his work and were crucial for understanding his religious thought and philosophy as a whole. Written in an intensely personal liturgical context, the communion discourses prepare the reader for participation in this rite by emphasizing the appropriate posture for forgiveness of sins and confession.
