Metaltown, brings her remarkable imagination to this intrigue-filled contemporary drama where good kids are needed to do some very bad things in *The Deceivers*. Welcome to Vale Hall, the school for aspiring con artists. When Brynn Hilder is recruited to Vale, it seems like the elite academy is her chance to start over, away from her mom's loser boyfriend and her rundown neighborhood. But she soon learns that Vale chooses students not so much for their scholastic talent as for their extracurricular activities, such as her time spent conning rich North Shore kids out of their extravagant allowances. At first, Brynn jumps at the chance to help the school in its mission to rid the city of corrupt officials—because what could be better than giving entitled jerks what they deserve? But that's before she meets her mark—a senator's son—and before she discovers the school's headmaster has secrets he'll stop at nothing to protect. As the lines between right and wrong blur, Brynn begins to realize she's in way over

head. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Runaway New York Times and USA Today Bestseller! *Virginity*. Sick of being the only virgin among her friends, she decides the best way to deal with the problem is to lose it as quickly and simply as possible—a one-night stand. But her plan turns out to be anything but simple when she freaks out and leaves a gorgeous guy alone and naked in her bed with an excuse that no one with half a brain would ever believe. And as if that weren't embarrassing enough, when she arrives for her first class of her last college semester, she recognizes her new theater professor. She'd left him naked in her bed about eight hours earlier. . . . Take off with this dynamic, thrillseeking, sexy New Adult science fiction series debut. first step towards her future. As the heiress to Titon Technologies, eighteen-year-old Aurora Titon can have whatever she wants – clothes, expensive gadgets, anything money can buy. But all she really wants is to escape her pampered, paparazzi-infested life for the stars. Becoming the first female pilot to train as an astronaut for the exclusive Apollo Academy is exactly the chance for which she has been waiting. Flying is everything she ever dreamed, her best friend also got into the Academy and the paparazzi are banned from campus. Everything would be perfect, except for her unreciprocated crush on a fellow student, the sexy astronaut bent on making her life hell, and the fact that someone keeps trying to kill her. The most important education doesn't happen in the classroom... She needs to be good. At sixteen, Kit ditched her crappy life and moved to Nashville with only \$200, her guitar, and a notebook full of songs. She hit it big, but five years of living like a rock star plus a stint in rehab has killed any good will

she had with her label. The suits have ordered Kit to shape up or ship out of the limelight. The last thing she needs is a hot, sexy distraction with a sinful smile. He doesn't know the meaning of the word. Max Butler is as far from a celebrity as you can get and he likes it that way. A Nashville firefighter, he's living the single life with a revolving door of parties, friends, and a different woman in his bed every night. When his normal life suddenly collides with the girl on his favorite Rolling Stone cover, he sees the perfect chance to fulfill his ultimate fantasy and see just how bad Kit can be. Sometimes bad is so very good. With three weeks until Kit leaves for her big tour, Max promises to give her a break from being the good girl--no strings attached. But when hot days lead to sultry nights, the lines get blurred and suddenly three weeks of bad might not be good enough. A young adult limited edition hardback cover of *Fallen Crest High*, a story about a girl who loses her family, gets another, and falls in love. Raised to rule, despite

not having the abilities her ancestors did, Aurora becomes betrothed to a prince who possesses the magic needed to keep the kingdom safe. The author of *How Not to Fall* serves up "sex-positive true love, nerdiness, and angst in an amazing mix" (*Fresh Fiction*). Once upon a time, med student Annie Coffey set out to have a purely physical fling with Charles Douglas, a gorgeous British doctor in her lab. It didn't quite work out that way. Instead, secrets—and desires—were bared, hearts were broken, and Annie knew she had to leave this complicated, compelling man who remains convinced he can never give her what she needs. Walking away is one thing. Staying away is another. Annie and Charles reunite at a London conference, rekindling a friendship they struggle to protect from their intense physical connection. Little by little, Annie gets a glimpse into Charles's dark past and his wealthy, dysfunctional family. Soon, she's discovering what it means to have someone claim her, body and soul. And she's

learning that once in a lifetime you find a love that can make you do anything . . . except let go. "This book will make you laugh, ugly cry, and probably even ugly-cry-laugh. It is truly a heart-rending read, and . . . a MUST for anyone who enjoys a romance that really makes the hero and heroine WORK for their happy ending." —Smart Bitches, Trashy Books In the third book in New York Times and USA Today bestselling author Cora Carmack's Rusk University series, a good girl is about to find out what happens when she creates the ultimate college bucket list and she sets her sights on a jock. First person in her family to go to college? CHECK. Straight A's? CHECK. On track to graduate early? CHECK. Social life? .....yeah, about that.... With just a few weeks until she graduates, Antonella DeLuca's beginning to worry that maybe she hasn't had the full college experience. (Okay... Scratch that. She knows she hasn't had the full college experience). So Nell does what a smart, dedicated girl like herself does best. She makes

a "to do" list of normal college activities. Item #1? Hook up with a jock. Rusk University wide receiver Mateo Torres practically wrote the playbook for normal college living. When he's not on the field, he excels at partying, girls, and more partying. As long as he keeps things light and easy, it's impossible to get hurt... again. But something about the quiet, shy, sexy-as-hell Nell gets under his skin, and when he learns about her list, he makes it his mission to help her complete it. Torres is the definition of confident (And sexy. And wild), and he opens up a side of Nell that she's never known. But as they begin to check off each crazy, exciting, normal item, Nell finds that her frivolous list leads to something more serious than she bargained for. And while Torres is used to taking risks on the field, he has to decide if he's willing to take the chance when it's more than just a game. Together they will have to decide if what they have is just part of the experiment or a chance at something real. Valerie Bertinelli, then: bubbly sitcom star and

America's Sweetheart turned tabloid headline and rock star wife. Now: actress, single working mother of teenage rock star, and weight-loss inspiration to millions. We all knew and loved Valerie Bertinelli years ago when she played girl-next-door cutie Barbara Cooper in the hit TV show *One Day at a Time*, and then starred in numerous TV movies. From wholesome primetime in America's living rooms, Valerie moved to late nights with the hardest-partying band of the decadent eighties when she became, at twenty, wife to rock guitarist Eddie Van Halen. *Losing It* is Valerie's frank account of her life backstage and in the spotlight. Here are the ups and downs of teen stardom, of her complicated marriage to a brilliant, tormented musical genius, and of her very public struggle with her weight. Surprising, uplifting, and empowering, *Losing It* takes you behind the scenes of Valerie's acting career and marriage, recalling the comforts, friendships, and problems of her television family, her close

relationships with her parents and brothers, the stress and worries of being the wife of a rock star, and the joys of motherhood. Like many women, Valerie often remembers the state of her life by the food she ate and the numbers on her scale. So despite her celebrity, Valerie's voice is so down-to-earth, honest, and appealing that you'll feel as if you're talking with a girlfriend over coffee. Funny and candid, Valerie recounts her attempts to maintain a healthy self-image while dealing with social pressures to look and act a certain way, and to overcome career insecurities and relationship problems, all of which will be familiar to the hundreds of thousands of women who struggle every day with these same issues. From marital turmoil to the joys of a new career, from being named among Penthouse's ten sexiest women in the world to overhearing whispers about her weight gain in the grocery store, this is Valerie's inspiring journey as she finds new love, raises a terrific kid, and motivates other women as a

spokesperson for Jenny Craig. Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much. What she doesn't realise is that although she's on a journey to find herself, she will end up finding The One... The gripping account of a once-in-a-lifetime football team and their lone championship season For Rich Cohen and

millions of other fans, the 1985 Chicago Bears were more than a football team: they were the greatest football team ever—a gang of colorful nuts, dancing and pounding their way to victory. They won a Super Bowl and saved a city. It was not just that the Monsters of the Midway won, but how they did it. On offense, there was high-stepping running back Walter Payton and Punky QB Jim McMahon, who had a knack for pissing off Coach Mike Ditka as he made his way to the end zone. On defense, there was the 46: a revolutionary, quarterback-concussing scheme cooked up by Buddy Ryan and ruthlessly implemented by Hall of Famers such as Dan "Danimal" Hampton and "Samurai" Mike Singletary. On the sidelines, in the locker rooms, and in bars, there was the never-ending soap opera: the coach and the quarterback bickering on TV, Ditka and Ryan nearly coming to blows in the Orange Bowl, the players recording the "Super Bowl Shuffle" video the morning after the season's only loss. Cohen tracked down the

coaches and players from this iconic team and asked them everything he has always wanted to know: What's it like to win? What's it like to lose? Do you really hate the guys on the other side? Were you ever scared? What do you think as you lie broken on the field? How do you go on after you have lived your dream but life has not ended? The result is *Monsters: The 1985 Chicago Bears and the Wild Heart of Football*, a portrait not merely of a team but of a city and a game: its history, its future, its fallen men, its immortal heroes. But mostly it's about being a fan—about loving too much. This is a book about America at its most nonsensical, delirious, and joyful. The first book in a sensational New Adult trilogy from Noelle August. Welcome to Boomerang.com, the dating site for the millennial gen with its no-fuss, no-commitments matchups, and where work is steamier than any random hook-up. Mia Galliano is an aspiring filmmaker. Ethan Vance has just played his last game as a collegiate soccer star. They're sharp,

hungry for success, and they share a secret. Last night, Ethan and Mia met at a bar, and, well . . . one thing led to another, which led to them waking up the next morning—together. Things turned awkward in a hurry when they found themselves sharing a post hookup taxi . . . to the same place: Boomerang headquarters. What began as a powerful connection between them is treated to a cold shower courtesy of two major complications. First, Boomerang has a strict policy against co-worker dating. And second, they're now competitors for only one job at the end of summer. As their internships come to an end, will they manage to keep their eyes on the future and their hands off each other, or will the pull of attraction put them right back where they started? New York Times bestselling author Cora Carmack's young adult debut: *Roar*. In a land ruled and shaped by violent magical storms, power lies with those who control them. Aurora Pavan comes from one of the oldest Stormling families in existence. Long ago, the ungifted

pledged fealty and service to her family in exchange for safe haven, and a kingdom was carved out from the wildlands and sustained by magic capable of repelling the world's deadliest foes. As the sole heir of Pavan, Aurora's been groomed to be the perfect queen. She's intelligent and brave and honorable. But she's yet to show any trace of the magic she'll need to protect her people. To keep her secret and save her crown, Aurora's mother arranges for her to marry a dark and brooding Stormling prince from another kingdom. At first, the prince seems like the perfect solution to all her problems. He'll guarantee her spot as the next queen and be the champion her people need to remain safe. But the more secrets Aurora uncovers about him, the more a future with him frightens her. When she dons a disguise and sneaks out of the palace one night to spy on him, she stumbles upon a black market dealing in the very thing she lacks—storm magic. And the people selling it? They're not Stormlings. They're storm

hunters. Legend says that her ancestors first gained their magic by facing a storm and stealing part of its essence. And when a handsome young storm hunter reveals he was born without magic, but possesses it now, Aurora realizes there's a third option for her future besides ruin or marriage. She might not have magic now, but she can steal it if she's brave enough. Challenge a tempest. Survive it. And you become its master. Clementine Daly knows she's the black sheep. Her wealthy, powerful family has watched her very closely since she almost got caught in an embarrassing scandal a few years ago. So when Clementine's sent on a mission to live up to the Daly name, politely declining isn't

an option. Of course, the last thing she does before boarding the plane is to grab a stranger's phone by mistake—leaving the hunky journalist with her phone. Soon his sexy voice is on the line, but he doesn't know her real name, or her famous pedigree—which is just the way Clementine likes it. Despite all the hassles, Justin Mueller is intrigued to realize that the beautiful brown-eyed girl he met at the airport is suddenly at his fingertips. They agree to exchange phones when they're both back in town, but after a week of flirty texts and wonderfully intimate conversations, Justin doesn't want to let her go. The only problem? In this second book in New York Times and USA Today bestselling author Cora Carmack's New Adult, Texas-set Rusk University series, which began with *All Lined Up*, a young woman discovers that you can't only fight for what you believe in . . . sometimes you have to fight for what you love Dylan fights for lost causes. Probably because she used to be one. Environmental issues, civil rights, education—you name it, she's probably

been involved in a protest. When her latest cause lands her in jail for a few hours, she meets Silas Moore. He's in for a different kind of fighting. And though he's arrogant and not at all her type, she can't help being fascinated with him. Yet another lost cause. Football and trouble are the only things that have ever come naturally to Silas. And it's trouble that lands him in a cell next to do-gooder Dylan. He's met girls like her before—fixers, he calls them, desperate to heal the damage and make him into their ideal boyfriend. But he doesn't think he's broken, and he definitely doesn't need a girlfriend trying to change him. Until, that is, his anger issues and rash decisions threaten the only thing he really cares about, his spot on the Rusk University football team. Dylan might just be the perfect girl to help. Because Silas Moore needs some fixing after all. "This is an action-packed, expertly plotted story, drenched in double crosses and intrigue, with an irresistible heroine and a sweet and sexy romance. breaking twist gives way to a final act that will leave readers eager for subsequent books in this planned trilogy." —Publishers Weekly , starred review *An obstinate girl who will not be married.* A soldier desperate to prove himself. A kingdom on the brink of war. With a sharp tongue and an unruly temper, Sage Fowler is not what they'd call a proper lady—which is perfectly fine with her. She spies on the girls—and on the soldiers escorting them. As the girls' military escort senses a political uprising, Sage is recruited by a handsome soldier to infiltrate the enemy ranks. The more she discovers as a spy, the less certain she becomes about whom to trust—and Sage becomes caught in a dangerous balancing act that will determine the fate of her kingdom. With secret identities and a tempestuous romance, Erin Beaty's *The Traitor's Kiss* is full of intrigue, espionage, and

lies. An Imprint Book "Marital and martial matters collide when brides and spies become ensnared in a treasonous plot. . . . Sage is a clever, contrary female protagonist who remains realistic and likable, while her fellow protagonist Ash is enigmatic enough to require a second read. . . . Both epic and intimate, a semi-old-fashioned alternative to the wave of inexplicably lethal superheroines and their smoldering love triangles." —Kirkus Reviews "Complex characterization, deftly layered adventure story, and [a] balanced blend of political maneuvering, romantic interludes, and action scenes."

—Kirkus Reviews "Beaty balances a taut web of deceit...readers will be carried away by the mystery." —The Bulletin of the Center for Children's Books (BCCB) "A debut novel that blends fantasy, romance, and battlefield action. . . . Book One of the District Ballet Company 71,000 words "Everything I want in a book... I can't wait to

recommend this to everyone I know!" - New York Times and USA Today bestselling author Cora Carmack All eyes are on Josh Knox... Fearless. Guarded. Cut-to-perfection. Daredevil rock climber. The best in the world. This time he's poised to scale Yosemite's notoriously treacherous Sorcerer Spire, with Walkabout Media & Productions filming every move. April Stephens's dream to be a documentary filmmaker rests on her acing her internship with Walkabout, and that means getting the abrasive Josh to give her more than one-word answers in his interviews. The problem is, with every step forward professionally, she and Josh are also taking a step forward personally, and after watching her stunt pilot father die in a fiery crash, a guy who risks his life for a living is the last person she should be falling for. Especially because in one month her internship will have them dangling three thousand feet in the air from the side of the Sorcerer. She'll be filming. He'll be climbing without a rope. Sometimes you

have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson. Cora Lewis is a whole lot of fun, and she knows how to keep her tattooed bad boy friends in line. But all that flash and sass hide

the fact that she never got over the way her first love broke her heart. Now she has a plan to make sure that never happens again: she's only going to fall in love with someone perfect. Rome Archer is as far from perfect as a man can be. He's stubborn and rigid, he's bossy and has come back from his final tour of duty fundamentally broken. Rome's used to filling a role: big brother, doting son, super soldier; and now none of these fit anymore. Now he's just a man trying to figure out what to do with the rest of his life while keeping the demons of war and loss at bay. Inspired by the rich history of Chinese mythology, this sweeping fantasy is set in the ancient Kingdom of Xia and tells the coming of age story of Skybright, a young girl who worries about her growing otherness. She thinks maybe love can heal after all—until she discovers Locke is her superior officer. Tink has no problem risking her life in the air, but with everything on the line, is she brave enough to risk her heart on the ground? Jackson Hunt hasn't been out of the military for a long, but he needs to get a job and find a sense

of normalcy if he is going to keep his own demons at bay. Bodyguard (and babysitter) to spoiled-rich-girl Kelsey Summers isn't exactly what he'd been looking for, but it's a chance to travel, to get away. The catch: Kelsey's father doesn't want Kelsey to know she's being followed. She's vibrant and infuriating, exciting and reckless, mysterious and familiar - and she's falling into the same patterns he suffered years ago. Jackson vows to help her, which is more difficult than he thought, especially because the more he knows her, the more he wants her...
